

Online Master of Arts in Health Law and Policy

To apply to the online Master of Arts (MA) in Health Law and Policy program at Hofstra University's Maurice A. Deane School of Law, you must submit the following materials:

- Completed [application form](#)
- Resume or curriculum vitae (CV)
- Personal statement indicating your interest in pursuing a graduate degree in health law and policy
- Academic transcripts
 - Official transcript(s) from each institution attended since high school. Unofficial transcripts may be used for admissions decision-making (Hofstra University reserves the right to require that accepted students submit official transcripts prior to matriculating).
 - Institutions must send hard-copy, sealed transcripts directly to the admissions office.
- Letters of recommendation (recommended, but not required)
 - Letters of recommendation need to be from individuals qualified to comment on your ability to complete graduate study successfully. Employers, supervisors, and former instructional faculty members are suitable references.
- No LSAT, GMAT, or GRE is required to apply.

Application Process at Hofstra University

Upload application materials via the [online application portal](#), GradCAS.

- [Application form](#)
- Resume or CV
- Personal statement
- Unofficial transcripts
- Any letters of recommendation

You will also need to arrange for your official transcript(s) to be sent. You can make these arrangements through the GradCAS application portal.

For international applicants:

If you received your academic training from an institution outside the United States, you will need to make arrangements to have two sets of transcripts printed – one in your institution's native language and one in English. They must be sent to and evaluated by an accepted credential evaluation service, such as World Education.

If your academic training was in a language other than English, you must present a recent score from the Test of English as a Foreign Language (TOEFL) from the Educational Testing Service. The admission committee seeks students who have achieved an internet-based TOEFL score of 100 or higher, paper-based TOEFL score of 600 or higher, or computerized TOEFL score of 250 or higher.
